## MMSC Lab Wellness Tests

The full service Laboratory at Marshalltown Medical and Surgical Center offers you the opportunity to assess your wellness through a convenient blood test.

Come to the lab to register and pay for the test you chose. Please use check or cash, no debit or credit cards.

Some of these tests require a 10-12 hour fast prior to having your blood drawn.

All wellness results will be mailed to you within 72 hours.

## Healthy Heart Wellness
